Luggage

We strongly recommend that students who are travelling by airplane pack at least one day’s worth of clothing and toiletries in a carry-on bag. This will limit the inconvenience in the event of lost or misplaced luggage. Students are responsible for carrying their own luggage, so we recommend packing only those items that are necessary. Restrictions on carry-on luggage are subject to change. Please check the U.S. Transportation Security Administration’s website at www.tsa.gov for the latest information on carry-on restrictions for flights originating within the U.S. or the restrictions page for an airline outside of the United States that you may be travelling on.

The following is a list of items you will need
- Wi-Fi enabled device - phone
- Comfortable clothes and closed-toed shoes.
  Please see “What is the dress code?” under “Frequently Asked Questions” on the IASP list of what NOT to wear.
- Insect spray
- Sunscreen
- Spending money
- Toiletries/Personal products
- Medications, if required
- Hat
- Jacket or sweater
- Towels (2) and washcloths
- Hair brush/comb
- Flip flops or shower shoes
- Sleepwear
- Water bottle
- Computer or e-tablet to work on your project
- Portable charger and/or charger plugs and cords for mobile devices
- A photo ID (passport, driver’s license, or student ID card)
